

Job Title: Middle & High School Math Teacher

Institution: Ihsan School of Excellence

Job Type: Full-time

About Us

At Ihsan School of Excellence, we are dedicated to nurturing the minds, hearts, and characters of our students. We strive to provide an environment where academic rigor meets moral excellence (*Ihsan*). Our mission is to empower students to achieve their highest potential, fostering critical thinking, creative problem-solving, and a lifelong love for learning.

Position Overview

We are seeking a passionate, dedicated, and qualified Middle & High School Math Teacher to join our secondary education team. The ideal candidate will inspire students to look beyond rote memorization, helping them understand the logic, beauty, and real-world applications of mathematics (ranging from Pre-Algebra and Geometry to Algebra II and Calculus).

Key Responsibilities

- **Instruction & Delivery:** Plan, prepare, and deliver engaging, rigorous math lessons that cater to diverse learning styles in grades 6–12.
- **Curriculum Alignment:** Design coursework aligned with school standards, ensuring students are thoroughly prepared for higher-level mathematics and standardized assessments.
- **Classroom Culture:** Maintain a positive, structured, and inclusive classroom environment rooted in mutual respect and high expectations.
- **Assessment & Feedback:** Regularly assess student progress using both formative and summative tools; provide timely, constructive feedback to students and parents.
- **Mentorship & Character Building:** Model the values of *Ihsan* (excellence and beautiful character) in daily interactions, mentoring students both academically and personally.
- **Collaboration:** Participate actively in faculty meetings, professional development, and school-wide community events.

Qualifications & Requirements

- **Education:** Bachelor's degree in Mathematics, Secondary Education (Math focus), or a closely related STEM field (Master's degree preferred).

- **Experience:** Minimum of 2–3 years of teaching experience at the middle or high school level is highly preferred.
- **Core Values:** A strong commitment to upholding and integrating the school’s mission of moral and academic excellence.

Benefits

- Opportunities for professional development and growth.
- A supportive, community-oriented working environment.
